Additional Health Insurance Carrier Standards for Physician Specialists Introduced

6/30/2024

Senate Bill 3416, introduced in the New Jersey Senate on June 10, 2024, would require additional network adequacy standards for health insurance carries that offer a managed care plan. If enacted, the Department of Banking and Insurance would adopt regulations to provide that covered persons have reasonable and timely access to physician specialists at in-network hospitals and facilities, including anesthesiologists, radiologists, pathologists, emergency medicine physicians, and such other services under the providers' supervision.
