BEWISE Hosts Second Successful Networking Event

Guest Speaker Rebecca Braitling Urges Attendees to "Spiral Up"

On Thursday, October 24, Brach Eichler's professional women's group BEWISE hosted 65 women who gathered to mix and mingle at the Park Avenue Club in Florham Park. In addition to networking, the event featured a presentation by Rebecca Braitling, Founding Partner of InspiraWork LLC whose presentation, "SpiralUp: Embrace Courageous Civility," addressed the keys to leadership and success in our modern world. Rebecca spoke about how important it is to mentor the younger generations, the importance of women supporting each other, and, lastly, having the courage to step out of your comfort zone. She reiterated how women are able to rise together and create positive change, even when it may seem like a challenge. Stay tuned for the next BEWISE event coming in 2020!
