Brach Eichler and TCDI Present: Effective Strategies for Managing AI in the Workplace – Part 2

As artificial intelligence continues to reshape the workplace, organizations must ensure that governance keeps pace with innovation. In **Part One of our three-part webinar series, *Effective Strategies for Managing AI in the Workplace***, we explored how generative AI tools are being used and the legal and operational risks employers need to understand. **If you missed it, you can watch the recording here:**
https://register.gotowebinar.com/recording/6698671691155397977

We invite you to join us for Part Two, *The Solution – Building an AI Governance Structure*, where Brach Eichler attorneys **Lani M. Dornfeld, Esq., CHPC**, Member (Healthcare), and **Jay Sabin, Esq.**, Member (Labor & Employment), will share practical guidance on developing written AI use policies, implementing effective governance frameworks, and training teams to manage AI responsibly.

Register for Part Two here:
