

Brach Eichler and TCDI Present: Effective Strategies for Managing AI in the Workplace – Part 2

The graphic features a grey grid background. At the top left is the Brach Eichler LLC logo with the tagline 'Counsellors at Law'. At the top right is the TCDI logo. The main title is 'EFFECTIVE STRATEGIES FOR MANAGING AI IN THE WORKPLACE PART 2: THE SOLUTION - BUILDING AN AI GOVERNANCE STRUCTURE'. Below the title is a subtitle: 'Practical solutions to the risks of using AI in the workplace—including how to harness AI effectively, why good governance matters, how to establish a written AI use policy, and the importance of continued awareness, education, and training.' The presenters are listed as Lani Dornfeld, Esq., CHPC; Jay Sabin, Esq.; and Emily Fedeles. A 'LIVE WEBINAR' badge is on the left, and a 'SAVE THE DATE!' badge for Part 3 is on the right. A 'REGISTER NOW' button is at the bottom left, and a contact email is at the bottom center.

TCDI

As artificial intelligence continues to reshape the workplace, organizations must ensure that governance keeps pace with innovation. In **Part One of our three-part webinar series, *Effective Strategies for Managing AI in the Workplace***, we explored how generative AI tools are being used and the legal and operational risks employers need to understand. **If you missed it, you can watch the recording here:**

<https://register.gotowebinar.com/recording/6698671691155397977>

We invite you to join us for Part Two, *The Solution - Building an AI Governance Structure*, where Brach Eichler attorneys **Lani M. Dornfeld, Esq., CHPC**, Member (Healthcare), and **Jay Sabin, Esq.**, Member (Labor & Employment), will share practical guidance on developing written AI use policies, implementing effective governance frameworks, and training teams to manage AI responsibly.

Register for Part Two here:
