Brach Eichler Boosts Growth of Healthcare Practice, Announcing Former General Counsel Tracy E. Miller has Joined as Counsel

11/4/2024

Brach Eichler LLC, a premiere full-service law firm based in Roseland, NJ, is pleased to welcome Tracy Miller as Counsel in the Healthcare Law Practice Group.

"We are thrilled to announce a talented addition to Brach Eichler's thriving Healthcare Law practice and welcome Tracy Miller," said John D. Fanburg, Brach Eichler Managing Member. "Her arrival marks another exciting chapter for our growing Healthcare Law practice, which strengthens our offerings and complements our steadfast commitment to client service. Ms. Miller's experience as EVP & General Counsel of a large health system, law firm partner and health policy leader in New York State informs the advice she provides clients to realize their business, strategic and operations goals. She can leverage Brach Eichler's deep and broad health care experience to further meet our client's needs and serve new clients."

Brach Eichler's clients can turn to Ms. Miller for guidance on corporate governance, state and federal health laws and other regulatory matters. A highly-skilled healthcare attorney with more than 35 years of healthcare legal experience, Tracy Miller concentrates her practice on a wide variety of transactional, corporate, and regulatory matters. Her clients have included integrated delivery systems, hospitals, long-term care facilities, physician practices, hospice programs, independent practice associations, and organizations comprised of 100+ health care and social service providers formed to coordinate care as part of state health reform.

Prior to joining the Firm, Miller was EVP & General Counsel for Catholic Health, a large, integrated delivery system on Long Island where she advised the Boards of Directors and executives and oversaw legal services throughout the Health System. Her responsibility for legal services spanned corporate governance, transactions, affiliations, physician contracts and alignment,

complex vendor contracts, cybersecurity and data privacy, corporate and regulatory compliance, human subjects research, AI and patient care. She began her health care legal career as Executive Director of the New York State Governor's Task Force on ethics in medicine that crafted New York's laws and regulations on end-of-life care and other issues at the intersection of law, medicine and ethics. Ms. Miller is the former Chair of the 1100-member Health Law Section of the New York State Bar Association and serves on the Section's Executive Committee. She is a graduate of Harvard Law School and Brown University.

"I look forward to drawing on my significant expertise ranging from big picture initiatives to concrete operational issues to help our clients navigate the challenges they face and thrive in today's complex health care environment," said Tracy Miller. "I am thrilled to assist clients as they lay the foundation to attain their business and operational goals."
