On September 6, 2022, the New Jersey Division of Consumer Affairs published updated dollar limits for “[modest meals](#)” accepted by prescribers from pharmaceutical manufacturers. Prescribers, who are not speaking or providing services at promotional activities are allowed to accept a breakfast or lunch up to \$17 and dinner up to \$35. The limits are in place to ensure that relationships with pharmaceutical manufacturers do not interfere with the prescriber’s independent professional judgment.
