Fair Market Value and Legal Considerations for Healthcare Organizations

Fair Market Value and Legal Considerations for Healthcare Organizations

Join Tom Reck of Withum and Isabelle Bibet-Kalinyak, Esq. of Brach Eichler, as they explain and illustrate FMV in the context of the most recent elements of the Stark law and the Anti-Kickback Statute, including penalties associated with violations of the same.

WEBINAR DETAILS

Fair Market Value in the healthcare arena is multifaceted, touching upon a number of aspects for healthcare organizations. At it's core, it exists for consumer protection and to guard against the potential for fraud and abuse.

LEARNING OBJECTIVES

- Recognize the key changes to the Stark law and the Anti-Kickback Statute.
- Identify and analyze common leasing and subleasing agreement pitfalls and how to guard against Stark law and AKS violations.
- Interpret the considerations of fair market value in crafting physician compensation methodologies across various specialties.
