New Jersey Agencies to Review Impact of the One Big Beautiful Bill Act

9/1/2025

On July 23, 2025, New Jersey Governor Phillip Murphy issued Executive Order No. 393 to require all State agencies to immediately review the One Big Beautiful Bill Act (OBBBA) and provide their recommendations with respect to OBBBA's impact on their respective agencies by October 1, 2025. The reports will list OBBBA's impact on their budgets, operations, and programs and provide recommendations to protect the State's finances and residents from the effects of OBBBA and recommend any legislative measures that may be taken by the Governor during the current session. By November 15, 2025, the State agencies will provide their recommendations for non-legislative measures that may be taken to address any adverse impacts of OBBBA. Any reports, recommendations, or other information submitted pursuant to this Executive Order will be treated as confidential and not subject to the Open Public Records Act.
