NJDOH Revokes Some Revised Temporary Rule Waivers & Modifications

On July 18, 2022, The New Jersey Department of Health revoked certain COVID-19 related temporary rule waivers/modifications; these include temporary waivers/ modification related to collection stations, ambulances, and licensing/certification. The Commissioner of the Department of Health found that revocation of these temporary rule waivers/modifications was necessary because enforcement of the original rules would no longer be detrimental to the public welfare.
