

Brach Eichler Donates 300 Pounds of Food to Presbyterian Church on the Green Food Drive

This year, Brach Eichler partnered with the [Presbyterian Church on the Green of Bloomfield, NJ](#) for 2019 food drive. The Food Pantry has been providing food on an emergency basis to families in the surrounding communities of Essex County. They are also a member of the M.E.N.D. network (Meeting Emergency Needs with Dignity), an interfaith network of 20 member food pantries located throughout Essex County serving its residents. The Presbyterian Church on the Green of Bloomfield also partners with the Community Food Bank of New Jersey helping other communities in other counties throughout the year.

A special thanks to Managing Member John Fanburg, and members of the Brach Eichler Social Committee (Nelly Schroeder, Michael McBride, Val Ramos, Lisa Cardillo, and Alexis De Jesus) for making this year's food drive a success.
